Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mario Lucchesi Memorial Bridge Repair in fiscal year 2024. The entity to receive funding for this project is City of Lawrence, located at 200 Common Street, Lawrence, MA 01840. The funding would be used to replace the repair of deck cracking, honeycombing concrete, scaling and repair of hollow spalls throughout the length of the bridge. It would also ensure repair of deteriorated beams or girders through shotcrete application as well as repair of scaled, cracked and spalls of the bridge railings, back walls breast walls and wing walls. The project is an appropriate use of taxpayer funds because the bridge plays a pivotal connecting role to interstate highways such as I-495, I-93 and Route 114. Its repair has a powerful impact on cash flow and economic activity.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
